Congratulations to Joan Richard, M.B.E.

Our biggest news for the charity in 2019 is the proud announcement that Joan Richard, committee member, visitor and former Chairman, has been recognised in the Queen's Birthday Honours in 2019 and awarded an M.B.E for her work with the charity. Many congratulations Joan and thank you for all you do for Jersey Cancer Relief.

Channel Island Student Business Challenge

New Light are a group of students from Grainville School who took part in the Channel Islands Schools Business Challenge. Thank you to these future island entrepreneurs for their efforts and interest in the charity.

Ports of Jersey have given amazing support to JCR and three other charities between 2016-2018 for which we are most grateful. The staff of Ports of Jersey raised funds through various imaginative and fun initiatives, these funds were matched by Ports of Jersey, and we were delighted to be presented with a cheque for £6,494.69, making the total sum of an incredible £18,206.24 for JCR over three years. A huge 'thank-you' to all involved.

We collect used/mint stamps. If you want to drop any off to 35 Burrard Street, St Helier, we would be most happy, thank you.

Well, this is certainly a memorable way to celebrate your birthday! On 22nd June Rudi Goritschnig age 80 years young, did a skydive to celebrate his 80th birthday and to raise funds for Jersey Cancer Relief.

Thank you Rudi for your fantastic support of JCR.

Prosperity Day

A very exciting static cycle event organised by Prosperity 24.7 was held near the fountain in Broad Street in June. Corporate teams were invited to 'Vent Your Fury' against each other by cycling a very strenuous virtual leg of the Tour de France. The winning team was from Sure. Funds are to be shared between JCR & Beresford Street Kitchen. Many thanks to all teams and to Prosperity 24.7 for their fantastic support of the two charities.
